After a long research in collaboration with many clarinetists worldwide, Pomarico is proud to announce:

Artista

A COMPLETELY INNOVATIVE MOUTHPIECES,
THANKS TO 2 BALANCED OPENINGS.

IN ONE, NAMED **VINTAGE**, WE SUCCESSFULLY ARCHIVED TO REPRODUCE THE BEAUTIFUL SOUND, AS IT ONCE WAS.

IN THE OTHER, NAMED **SOUL**, WE HAVE FAVOURED THOSE WHO PREFER TO USE A SMALLER OPENING, WITH STRONGER REEDS.

Both openings, balanced and secret are very easy to play and allow a marvellous "Pianissimo", maintaining the amazing sound of crystal.
